

2019 PianoTexas International Festival & Academy

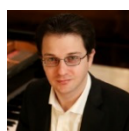

This year's focus is "The French Impression", an important part of western civilization and music. Undoubtedly, there is a difference in the approach and the creative ambiance in the performance of French musicians of this repertoire. To hear music that is so transparent, full of perfume and elegance come to life in a natural and authentic way is indeed a unique experience. Our Festival will endeavor to present such experiences covering French music from 1850 to 1950, the Golden Age including composers such as Ceasar Franck, Gabriel Fauré, Georges Bizet, Henri Duparc, Claude Debussy, Maurice Ravel, and Francis Poulenc.
